Visit to Ashley Court Tiverton –
Cost £35

Depart Sidmouth Triangle 10.00 a.m.
Return to Sidmouth Triangle 4.30 pm

This enchanting Regency house invites you to escape from modern life and re-connect with nature both wild and tamed. Set in 19 acres of woodland, gardens and pasture overlooking the Exe Valley, Ashley Court is a lovely example of a small country house retaining every period detail from the gate posts to the servant's bells. To arrive here is to step back in time, relax and assume a gentler pace of life.

There will be a tour of the house (part), grounds and gardens including stables & studio, followed by a vegetarian buffet lunch. There is also a 30min woodland walk via path and field. You will need flat, sensible shoes on this visit.

There is a short inclined walk up a cobbled path from the gate to the house. Please state on the booking form if you might require assistance. Unfortunately the venue is not suitable for wheel chairs or walking aids.
