

Safeguarding

The Charity Commission have asked that our Society adopts and implements a Safeguarding Policy. Accordingly the Trustees and Committee of The Arts Society Sidmouth have agreed the following safeguarding statement:

The Arts Society Sidmouth believes that everyone, regardless of age, gender, identity, disability (physical or mental), sexual orientation, ethnic origin, or religious belief, has the right to be protected from all forms of harm, abuse, neglect and exploitation. The Arts Society Sidmouth commits to safeguarding through prevention, reporting and response.

If any member has a concern that the above statement is not being complied with, we would invite them to report it in confidence to any member of the Committee, who will investigate and report back to that member.
